## **HEAD WRAP BIT - CSW (Cut/Strip/Wrap) Bit & Holder**

Power Tool Holder	Head Part Number	Wire Size			Term. Hole Diam.		Term. Hole Depth		Strip Length		Head Diameter		Min. Spacing Terminal	
		AWG	SWG	MM	Inches	MM	Inches	MM	Inches	MM	Inches	MM	Inches	MM
PTH-1	WRB-24	24.00	25.00	0.50	0.07	1.78	1.00	25.40	1.62	41.10	0.24	6.10	0.16	3.90
PTH-1	WRB-26	26.00	23.00	0.40	0.07	1.78	1.00	25.40	1.62	41.10	0.24	6.10	0.16	3.90

This NEW open-faced **WRB** bit is fast and easy to use. It cuts, strips, and wraps the wire in one easy operation. There is no more need for wire preparation since this tool can wrap wire directly from a reel or harness (Kynar Wire). **WRB-24** is equivalent to BT's "3G" style wrapping bit and **WRB-26** is equivalent to BT's "3F" wrapping bit. It is completely compatible and well accepted by most Telecom Engineers.

**48V Wire Wrap Gun**

**48V / 230V / Battery Cordless Wrap Gun**
